- WorldRanking tournaments must meet all the demands of the FEIF Sport Rules and Regulations including the specific rules for World Ranking events in S8. By applying for a WorldRanking tournament the FEIF member country agrees to these requirements.
- Failure to meet all conditions stated in S8 – Appendix 1 – WorldRanking may cause the results of a tournament to be rejected or a fine to be imposed by the FEIF Sport Committee.
- Results should be sent in to the FEIF Office immediately after each event according to the instructions provided to the WorldRanking Registrar listed above. If the results are not received within 21 days following the last day of the event, the event will no longer be listed, and results will not be accepted. An event may be re-listed but will be assessed the original fee plus a “late entry” fee.
- The use of IceTest NG is strongly recommended. The software package can prepare the correctly formatted results for submission to the WorldRanking. If you use a different software, please check the document with WR instructions <https://www.feifengur.com/documents/Instructions%20for%20FEIF%20WorldRanking%20Registrars%202024.pdf>
- Results of 5.5 and higher in preliminary rounds and respective points for pace (for time translation for P1, P2 and P3 see respective tables in the FEIF Sport Rules and Regulations 2023, valid as per April 1, 2023) are entered in the WorldRanking. For Pace Test (PP1) only results including two runs are valid.
- When sending in results the country's WorldRanking Registrar confirms all tests have been performed and judged according to FEIF Sport Rules and Regulations and the additional WorldRanking rules.
- Financial contribution to be invoiced to the FEIF member association at the end of the year:
 - Normal Fee (events registered **until 6 weeks before the start of the event**): **90€**
 - Registered WR events can be withdrawn until 6 weeks before the start of the event without fees/charges.
 - Late Fee (events registered **after the deadline** – including relisting of expired events): **180€**
- **The link to the official invitation must be provided for the registration.**
- National rankings can be calculated and published based on a national list of events and using nation-specific rules for an extra fee. Contact the FEIF Office for details.
- Please return this form by email to the FEIF Office (office@feif.org).

* To be sent in by member associations only.
