

Gæðing Judge Training Course

We are pleased to invite to a Gæðing Judge Training Course held at Sundabakki Islandshästcenter, Sweden. The course is a collaboration between GDLH and SIF.

The course is led by Stefán Ágústsson and Sindri Sigurðsson. Both are experienced instructors and certified riding instructors, graduated from Hólar University College. They bring extensive experience in gæðing judging and education.

The main focus of the course will be judging practice. The program includes an introductory presentation and lecture, video analysis, and—most importantly—group judging of live performances on the oval track.
